The Management Connection, Inc. (TMC) is hosting the second annual **Great Exchange** conference 3:00 p.m. Wednesday, February 28 – 1:30 p.m. Friday, March 2, 2007 in Historic Downtown Bryan, Texas.

*2007 Conference Theme:*

**Creating the Eye of the Hurricane within the Political Winds**

*The Format:*

The format of the conference is different from most you attend. The **Great Exchange** will be a series of professionally facilitated, in-depth discussions around topics based on this year's theme. All in attendance participate together in each exchange.

*Attendance is Limited*

We are inviting managers who we believe can make a meaningful contribution to the exchanges and make an impact with what they take back to their cities. The total number of attendees is limited to maximize the opportunity for each participant to engage in the exchanges.

**Early registration deadline is November 13, 2006**
